## Policies and Information

If you would like to volunteer to provide **direct support**, you will be required to spend a **minimum** of 6 months working in a non-direct-support volunteer role prior to being able to apply for a direct-support role.

\*\*Our **Online Volunteer List-Serv** is a way for people to get involved without making an ongoing commitment. We will periodically email our Online Volunteer Pool with a list of small tasks that can be done from home, via the internet. These tasks are usually administrative or research-based and may not fit directly into our 'normal' volunteer programming. If any of these tasks seem like something you may be interested in helping out with, you can sign up to complete one task or as many tasks as you would like. Most opportunities will take approximately 2-3 hrs to complete, and may or may not have a specific deadline.

It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender, sexual preference, age, or disability.

## Agreement and Signature

By submitting this application, I affirm that the facts set forth in it are true and complete. I understand that if I am accepted as a volunteer, any false statements, omissions, or other misrepresentations made by me on this application may result in my immediate dismissal.
